SYNTAX COHORT
FORGING TECH INNOVATORS

CERTIFICATE OF COMPLETION

Project Traineeship

SYNTAX COHORT
FORGING TECH INNOVATORS

This is to certify that

Lottapalli Tejaswini

has successfully completed a 4-week intensive **Virtual Project Traineeship** at **Syntax Cohort**, specializing in the **Python** domain.

Throughout the traineeship, they actively engaged in agile project engineering, code-base optimization, and production-level system architecture. Their performance in the final project sprint was evaluated against corporate benchmarks and found to be exemplary.

Awarded on: 6 Aug 2026
